SUMMARY

High-performing full-cycle sales professional with hands-on software engineering experience and a background spanning Information Technology, Business Management, Software Design and Marketing.

Experienced in owning the customer journey from outbound prospecting and qualification through discovery, solution presentation, objection handling, closing and follow-up. Conducted 60–120 outbound calls per working day, maintained approximately 25–40% appointment conversion from connected prospect conversations, achieved a 60% appointment show rate and converted approximately 40% of attended appointments into sales.

Generated more than 35% of total club sales volume at Fitness First and achieved #1 and #2 nationwide sales rankings in consecutive months. Combines proven consultative selling ability with hands-on software engineering experience to quickly understand technical products and communicate value to prospective customers.

PROFESSIONAL EXPERIENCE

Membership Consultant

Jan. 2025 – Mar. 2026

Fitness First Australia

- Generated more than 35% of total club sales volume and ranked **#1** and **#2 nationwide** for monthly sales volume across Fitness and Lifestyle Group clubs in consecutive months.
- Owned the full sales cycle, from outbound prospecting and appointment setting through discovery, product demonstration, solution presentation, objection handling, closing and structured follow-ups.
- Conducted approximately **60–120 outbound prospecting calls per working day**, achieving roughly a **10–15%** connection rate and converting approximately **25–40%** of connected prospect conversations into booked appointments, depending on seasonality.
- Maintained approximately a **60%** appointment show rate and converted around **40%** of attended appointments into membership sales, averaging approximately **45** sales per month.
- Managed prospect pipelines in **GymSales CRM**, documenting conversations, customer characteristics, memos, follow-up actions and sales activity to maintain accurate records and prioritise opportunities.
- Increased qualified leads by approximately 30% through social media marketing, referrals, community outreach and promotional activities at local venues and universities.

Sales Representative

Aug. 2024 – Dec. 2024

Red Bridge Capital

- Managed prospective customers through initial enquiries, discovery conversations, product presentations, follow-up and conversion while supporting customer-facing activities.
- Conducted market research and supported digital marketing activities that contributed to increased organic customer traffic.
